IMPORTANT NOTES

The booking and payment arrangements for this event are very specific and to help us you must follow them closely. There have been occasional difficulties with bookings for previous events when the dedicated event administrator has been unaware of bookings, a situation which we wish to avoid. *Staff at IAM House cannot accept bookings in any circumstances.* **The event administrator is David Stringer, who MUST receive all applications and whose acknowledgement of booking ONLY will be accepted as proof of a valid place being allocated to you.**

1. You can reserve your place provisionally either by phone, followed by prompt submission the booking form, or simply complete and send the booking form by e-mail attachment or post.

2. Upon receipt of the booking form your place will be reserved for you and the booking will be acknowledged by e-mail. You must advise the event administrator if the acknowledgement appears to be at all delayed, relative to the means by which you submitted it, in case your application has not been received for some reason. Every attempt will be made to acknowledge booking forms within 24 hours of receipt.

3. Booking forms received after the event is fully booked will be acknowledged as such and placed on a reserve list. A place will be offered to you in strict order of receipt should an accepted booking be cancelled. No payment will be taken until such place is offered and accepted.

3. Payment must be made by debit or credit card to IAM House in Chiswick. When your booking has been confirmed, you will receive an e-mail giving a specific window by date and time in which you must call a dedicated number at IAM House to make your payment. The staff will have a list to hand of the bookings for which payment is expected. You must advise in advance if you cannot make contact to pay in the given period, otherwise your place may be offered to someone on the reserve list. It is expected that the date for payment to be made will be in February 2014 and you will be advised of the payment window no less than 2 weeks prior to the date.

4. Joining instructions and detailed information will be circulated to the participants, by e-mail, about 3 weeks before the event.

NOISE

There are noise restrictions at Croft which must be adhered to. A breach of the noise limits could result in the entire event having to be curtailed. In no circumstances will the IAM will allow any bike which is likely to breach the limits to be taken onto the circuit.
